Section B: Letters and Photos

Student's Letter

Dear Host Rotary Club! Dear Host family!

Hi, my name is Sunna and in May I will be 15 years old.

We are living in Itzehoe, a little town in the north of Germany, between the North Sea and the Baltic Sea, which are about 80 kilometres away from our home. The next nearest and most known city is Hamburg. Our town has 30 000 inhabitants. You can reach our capital Berlin by car in about four hours. I visited Berlin two times. It's fantastic there.

My family owns a house with a little garden and I need not share my room, only with my little hamster Speedy. I could reach my school with my bicycle in 15 minutes. School starts from Monday to Friday at 7.55am and finishes at 1.15pm. My favourite subjects are Maths and Sports. There are some problems in English, so that is the reason that I want to take part in a Youth Exchange. I hope, that my English will be soon perfect, so I profit at school in the future.

After lunch I have to do my school homework. I also get lessons in playing the transverse flute, which I'm using every Monday in the Big Band of my school.

The occupation of my father? He is an editor and responsible for sports. My mother is working in a travel agency for few hours in the week. My oldest brother, called Jannik, is at the moment a school student. He does not live at home any more. My brother Oke is working as a trainee. He lives at home and has to drive to his work by car every day.

So what do I do in my free time? I like doing sports, also riding a horse, which I sometimes do on the beach of St. Peter Ording at the North Sea. There we have a little holiday flat. We spent lots of holidays there.

My parents like doing cruises and I took part three times in the Mediterranean Sea.

In winter we have often been in Austria for skiing. I'm good in skiing. In June my class will visit Great Britain and I hope we could stay one day in London.

So what do I do in my free time? I do lots of sports and I like meeting friends. Sometimes we go shopping in Hamburg by train.

At last I would say about me, that I am a happy, friendly, funny and uncomplicated girl.

Sorry for my mistakes! =)

Best wishes

Sunna

Parent's Letter

Dear Host Rotary Club! Dear Host family!

Sunna is the flower of our family. She is the third of our three children. Sunna will soon be fifteen years old. Her oldest brother, called Jannik, is 21 years old and the other, called Oke, is 19 years old. Our daughter is our little girl and it will not be very easy for us that she will leave us for one year. But we are also very proud, that she is not angry to stay in your family, although her English is not perfect. She knows about her chance to meet your family and your country and she hopes to profit later at school from her exchange. Our relation to Sunna is very fine. She is very busy at school and we never had problems with her, although she is in the age of puberty.
